---

Web developer who is tenacious about finding solutions to problems. I am a triple threat programmer, educator, and musician who views each of my passions as an opportunity for innovation.

## SKILLS

Web Development | JavaScript | ReactJS | AngularJS | Express | Ruby | Ruby on Rails | JavaScript | HTML + CSS | Git | Command Line | SQL | MongoDB | Adobe Creative Suite | ProTools | Finale |

## EXPERIENCE

### **General Assembly**, Washington, DC — *Web Development Immersive Student*

June 2017 - September 2017

- Gained fluency in full-stack web development by completing intensive three-month program
- Focused on common best practices in object-oriented programming, MVC frameworks, data modeling, and test-driven development
- Developed a portfolio of three individual full-stack projects from scratch as well as one group project

### **Self-Employed Music Instructor**, Washington, DC — *Private Teacher*

2008 - Present

- Maintain a schedule of 20+ students per week, ages 4 and up
- Teach piano and guitar in private and group lessons, using many of my own arrangements
- Responsible for scheduling, client communication, billing, accounting, and event planning

### **Falls Church City Public Schools**, Falls Church, VA — *Paraprofessional Educator*

2012 - 2017

- Assisted students, elementary through high school, with variety of subjects
- Implemented curriculum for students with moderate to severe disabilities
- Carried out individualized behavior management progress

### **Studio Papillon**, Washington, DC — *Private Teacher*

2008 - 2017

- Created and implemented teaching materials for individual and group lessons
- Instructed weekly lessons and prepared students for biannual recitals.

### **A Piece of Mind**, Washington, DC — *ABA Therapist*

2011 - 2012

- Provided therapy for young children with autism
- Used DTI and NET teaching in school and home environments

## EDUCATION

### **General Assembly**, Washington DC 2017

Web Development Immersive

### **The College of William and Mary**, Williamsburg VA 2008

B.A. Music, Dean's List
